

# EFC Family Fun Run

A FANTASTIC DAY FOR ALL!

Education for the Children Foundation held their annual 5K Family Fun Run in November with over 600 participants taking part in the action. Vendors, music, and beautiful weather all made the event even more special. Students from all six schools were in attendance wearing their arm bands to represent their schools. This event was a timed event so serious runners and casual walkers were able to pace themselves for a final time. Next year promises to be bigger and better. Events like this help EFC award teacher grant money. This year EFC awarded over \$79,000 dollars.
